

PW4000 QEC / Nacelle Wiring Harness Repair Services

FAA No. OI0R891N, EASA.145.5897, CAAC No.F00100406

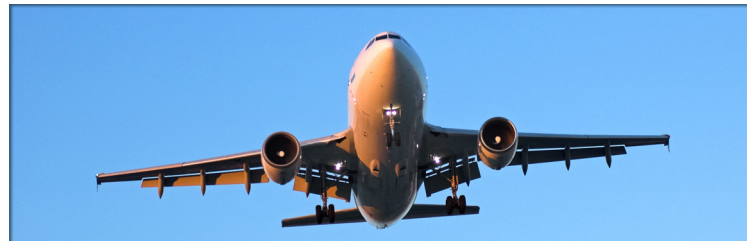

Certified Harness Repair Services

There is a reason airlines and maintenance operations turn to Co-Operative Industries when it comes to engine and nacelle wiring harness repair needs. When you select Co-Operative Industries for your repair services, you can depend on experienced technicians and a dedicated staff.

Backed by FAA, EASA, and CAAC certifications this repair center delivers cost effective harness and interconnect repair services combined with responsive turn times. This combination can save an organization both time and money – valuable assets in today's tough business environment.

Co-Operative Industries Service Center capabilities include:

- Check and Test
- Repair and Overhaul
- Service Bulletin Modifications
- Customized and DER Repairs
